Serial No. 09/407,417

29

A. Partyka 10

2 3

(New) The plurality of transmitters of claim 61 wherein said first time intervals are controlled according to a first sequence, and said second time intervals are controlled according to a second sequence, and said first sequence is synchronized with said second sequence.

REMARKS

Applicant respectfully submits that the new claims are allowable and request that the Examiner allow claims 33-67 and pass the application to issue.

Respectfully,

By

Andrzej Partyka 908-781-1902
